The individual members of the government also subscribed for this noble charity and became efficient

Upon the assembling of the legislature a charter was granted to the organized Board of Trustees. At a meeting of the board on the 3d day of May, 1855, to take preliminary steps for the erection of a building, it was stated by one of the members that a lot had been purchased, contiguous to the one which had been granted for the Home, and a Hotel was about to be erected, thus interposing a house-for the sale of spirits in one of the chief thoroughfares between the contemplated Home and the harbor.
